## The Admissions Process

### 1) Visit us!

Please join us for a private tour of our school! Private tours allow the opportunity to meet with staff and current school families, while being able to ask all your questions.

Reach out to the Advancement Office at 231.256.9670 or email [info@stmarysll.org](mailto:info@stmarysll.org) to schedule your tour.

### 2) Apply

To begin the online application process, you must first create an account in FACTS/RenWeb. Once your account is created, you are able to log in and create a new student application for your child.

After submitting the application, you will be able to track your admissions status.

A link to the application can be found on the Admissions page of our website - [www.stmarysll.org/admissions](http://www.stmarysll.org/admissions)

### 3) Enroll

If your child's application is accepted, you will then be invited to enroll. The enrollment process will be completed within the same account as your application. Select information from your application will be auto filled into your enrollment forms.
