

WE ARE SO PROUD OF THE ACCOMPLISHMENTS OF THIS TEAM!

The Record Eagle wrote, "The small town in northern Michigan produced a determined, disciplined and calm group of young men that faced and overcame adversity. Their first appearance in the state championship tournament was such a surprise that the MHSAA made a fairly large mistake in the boys basketball finals program." Coach Matt Barnowski said, referring to the MHSAA's program map, "We're actually so small that they didn't even know where we were on the map, they had us down by Toledo."

But the Eagles are certainly on the map now after making an improbable and remarkable comeback from down 17 points late in the third quarter to tie the game at 56-56 with less than two minutes to play in the game. Unfortunately this chapter in history ended with a 62-56 loss to Ewen-Trout Creek.

No St. Mary boys basketball team had ever made it to Breslin. The last time the Eagles even won a regional championship and advanced to the state quarterfinals was in 1950. "That was a fun game. Everybody got their money's worth, that's for sure," Coach Barnowski said. "I couldn't be more proud with how this team persevered throughout the year, especially in the playoffs." Such a valiant effort by our Eagles, we are so proud of this team!

And a huge THANK YOU to all the individuals and businesses who cheered & supported us both near and far!
