User friendly, paperless and at your fingertips with options to look up and print students by grade level or individual families. Parents of students in grades K-12 have access to this feature through the FACTS Family Portal.

To set-up an account as a new user in the Facts Family Portal, and/or to log-in if you already have an account:

- Visit www.stmarysll.org
- Hover over the Parent toggle
- Click on FACTS Family Portal
- Click log-in
- Log-in or if a new user "create a new account"
- St. Mary School District Code is: SML-MI (all caps)

Important Things to know:

K-5th grade parents may utilize the calendar and directory. The student toggle is only for students/parents in grades 6-12.

We are moving in the direction of the Apply/Enroll feature for the 2024/2025 school year.
