The business group will also be having a Chinese Auction where you can purchase tickets for a chance to win various items on display. Thank you for your support of the /business students who continue to shine brightly at St. Mary School.

4-H Exploration Days 2023

Leelanau County youth are invited to join over 1,000 young people for three days of fun, adventure and learning at **4-H Exploration Days 2023**. “All Paths Lead to 4-H” is the theme for this annual 4-H event, held Wednesday, June 21 through Friday, June 23 on the campus of Michigan State University.

We hope that you will join us this year – just register as a 4-H youth and be part of our delegation! Don't miss the excitement on MSU's campus! From magic to kayaking, or inline skating to future leader dogs, participants may take part in sessions that are suited to the interests of everyone--choose from over 100 different action-packed options! When not involved with their learning sessions, students may experience recreation and MSU tour choices such as the MSU Breslin Center, the Dairy Store, National Superconducting Cyclotron Laboratory, and the 4-H Children's Garden.

Participants must be at least 12 years old by January 1, 2023. The event is sponsored by the Michigan 4-H Program, but participants do **not** need to be a current 4-H member to attend. So, invite a friend to join you! You can stay in the same dorm room together. Parents and 4-H volunteers are invited, too! If you are interested in volunteering as an adult chaperone, feel free to contact the MSU Extension office for more details. Volunteer fees (\$120) will be fully covered by our county.

The fee to attend as a youth is \$220 and includes 2 nights lodging, 7 meals, an event T-shirt, and the learning option(s) of your choice (a few options have age restrictions). It also includes optional recreational activities like skating, biking, basketball, volleyball, a dance, and other fun evening activities. Transportation to and from campus is provided via school buses for a small fee.

Registration will be online, with a \$50 deposit, at https://www.canr.msu.edu/4_h_exploration_days/registration_information Step-by-step instructions on how to register will be on the website. Early registration starting Thursday, March 21, at 7 pm is strongly encouraged as many sessions fill quickly, and there are only 1000 spots for youth this year.

For more information, call the Michigan State University Extension office at 256-9888 or email Rosali Collier at collierr@msu.edu. **Information booklets are also available at local school offices**, and/or you can also get additional information about the registration link and download copies of the sessions list at https://www.canr.msu.edu/4_h_exploration_days/
