## Teacher Appreciation Week is May 8-12

and PAC has some fun things planned for them. Our first display of gratitude needs your assistance. Like we have done in the past, we would like to "Fill the Fridge" with their favorite flavored or sparkling waters, varieties of pop, tea, and so on to enjoy the week. If you would like to help make this possible, we ask that you send in your beverages with your student to give to Mrs. Grant who will keep the fridge full for them. We would like to have the beverages cold for the teachers on Monday morning, so you can start sending them next week! Thank you for your help! Kindly, Annie
