## Who Are We?

A small group of individuals who work tirelessly to support and promote St. Mary School.

## What Is Our Primary Goal?

To raise funds to operate the school. Tuition alone does not cover the cost to pay our teachers and staff, support curriculum needs and maintain the school building.

## What Else Do We Do?

Develop and foster donor relations, support the St. Mary School Endowment Fund, plan and execute fundraisers, secure grants, oversee publicity and marketing for the school, support Admissions and Alumni Relations.

## Where Are We Located?

In the building adjacent to the school and across the parking lot; in between the Preschool and the Credit Union.
